Terms and Conditions of Sponsorship

Applying for funds from the Corporate Giving Committee

Requests for support need to be made in writing by filling out the application form made available on the DIA website. Each application is assessed using the sponsorship criteria, with a general consensus required from committee members for approval.

Sponsorship criteria is as follows:

- ◆ **Local.** The sponsorship must benefit Territorians and/or the local community.
- ◆ **Tangible.** Our sponsorship must be used for a specific project, product or sponsorship package. We need to be able to see where the money is being spent, and its benefits to the community.
- ◆ **Not reliant on our continuing support.** In order to ensure the CGC is able to support a wide range of community projects, we ask that beneficiaries demonstrate that their work is able to continue without ongoing donations.

Sponsorship Categories

The CGC aims to support groups and individuals working in a variety of areas:

- ◆ Youth
- ◆ Health
