

Car Park Expansion Project

Driven by passenger growth and increasing air services, a major car park expansion project is now underway at Darwin Airport.

More than 500 new car parking spaces will be built within the next six months, providing a total of 2000 bays within the airport precinct for public, permit and staff use.

The carpark works include:

- Redevelopment of the existing General Aviation car park (located on the corner of Pedersen and Murphy Roads) to increase from its current 42 bay configuration to over 250 bays for public use and permit parking;
- Relocation of the permit bays from the current western car park to a new area at the eastern end of the Terminal building;
- Development of the area between the eastern car park and current staff car park into a dedicated bus drop-off and pick-up area, featuring drive-in/drive-out access, covered

passenger shelter and seating, and easy walkway access to the Terminal;

- Expansion of the existing western car park to over 500 bays for use by car rental companies and public parking.

Access to the staff car park, bus zone and eastern permit parking area will be via Cecil Cook Avenue.

Effective mid-September, parking will no longer be available in the existing General Aviation car park facility. Temporary parking is now available (free of charge) for the duration of construction, in a fenced area on the corner of Bonney and Fenton Courts (access via Bonney Court). The new car park is expected to be available for use in December 2010.

If you have any queries re this project please email us at: carparks@ntairports.com.au or contact Vlasta McCartney, Terminal Retail Manager on 8920 1859.

Project Updates and Road Work Information

General Aviation Pedestrian Walkway

Construction of the pedestrian walkway between Slade Court and the Terminal is almost complete with just some landscaping work now to be completed.

Ticket Counter Remodelling

Works commenced during July on the ticket counters in the Terminal and works are currently progressing to schedule with a completion date in September. For enquiries on this project, contact Alan Dugan on 8920 1968.

General Aviation Expansion

Advertising is continuing in national publications to secure tenancies for the General Aviation expansion project. For enquiries on this project or to obtain details of space available for lease on airport, contact Cameron Bowes on 8920 1825.

Roadworks - Charles Eaton Drive

As part of the Northern Territory Government's annual maintenance program, road works are continuing to take place on Charles Eaton Drive at the end of September.

The work will include resealing of both lanes between McMillians Road and Pedersen Road. Traffic control will be in place to control the lane closures and subsequent short delays may be experienced.

Motorists are urged to abide by all speed restrictions and advice. For further information please contact Wayne Oliver (NT Government) on 8946 5047.

Australian Federal Police - New Office Building

Airport CEO Ian Kew recently took part in an official "sod turning" ceremony on 21st September to mark the commencement of construction for the first ever on-airport, purpose-built Australian Federal Police (AFP) Office Building.

With works commencing in October 2010 and completion due in the second half of 2011, the building is located on the corner of Pedersen Road and Charles Eaton Drive on airport land.

*Airport Police Commander
Superintendent Errol Raiser &
Darwin Airport CEO Ian Kew*

Canberra based Paul Williams, Manager Aviation Infrastructure Australian Federal Police, was in attendance with several of his colleagues to participate in the official launch event.

Darwin Airport is now home to several Federal office buildings including CASA, AQIS and Department Environment, Water Heritage and the Arts.

Quick Facts

- Site - 5,650sqm including 38 on-site car parking bays
- Building - 2,383sqm over two storeys
- Construction commences October 2010, completion due second half of 2011
- 5 star Green Star energy rating
- Sitzler chosen as "Design and Construct" contractor from seven builders invited to tender
- Architect: Mode Design
- Engineers: Aurecon
- Project Manager: Thinc Projects
- Owner/Developer: AFP Development Site Trust

The Tenant Times

The Darwin Airport tenant newsletter

Edition 1 - September 2010 - page 3

Darwin Airport Website Update

A completely new Darwin Airport website is due to go live in October 2010.

A feature of the new website will be a "resource centre" for airport tenants and other key stakeholders. This new section will enable the download of large files that would otherwise clog up your email inbox, as well as the easy access of forms and manuals.

Did you know that your business can also utilise the website to recruit staff, free of charge? To list employment opportunities in your business or for more information contact sharon.hoops@ntairports.com.au

Follow us on Twitter!

Did you know that Darwin Airport is now on Twitter? Follow us at @darwinairport for the latest updates on airport activities, announcements and major service interruptions.

Interested in utilising Twitter for your business or not sure how to register and follow Darwin Airport? Contact Sharon Hoops on 8920 1814 for a crash course.

Darwin Airport gets Public Bus Service

The NT Government recently confirmed the addition of a bus service from Casuarina Interchange through Darwin Airport.

Commencing in October 2010, the "Route 3" service will enter the airport on Charles Eaton Drive, turn left at Pedersen Road, and exit on Henry Wrigley Drive.

For more information contact Public Transport on 8924 7666 or visit www.nt.gov.au/public-transport

Safe Work Week Australia

24 to 30 October 2010

Safe Work Week Australia will run from 24 to 30 October to highlight the importance of health and safety at work.

In 2009/10 there were over 2,700 compensation claims for workplace injuries and five work-related fatalities in the Northern Territory.

Whether you are an employer or a worker, everyone has a responsibility to ensure that their workplace is safe.

Darwin Airport will again be a strong supporter of Safe Work Week by facilitating information seminars, training sessions and general knowledge sharing amongst airport businesses on the subjects of health and safety in the workplace.

Over the next fortnight a schedule of activities will be forwarded to all tenants on airport.

One of the larger training events - Spill Response Training, will be held on 25th and 26th October. Register your interest (as spaces fill quickly) by emailing jill.holdsworth@ntairports.com.au

NT Worksafe are also conducting free seminars during Safe Work Week across the Territory. For more information visit their website:

<http://www.worksafe.nt.gov.au/corporate/swaw>

You can also download posters, newsletters and other materials from the airport's SAFE (Safe Airport for Everyone) campaign at www.darwinairport.com.au

october **BUSINESS** month

What is October Business Month?

October Business Month (OBM) is a program of business events, comprising dinners, award ceremonies, seminars, business breakfasts, cocktail receptions, leadership events, conferences and workshops.

The program is hosted by the Department of Business and Employment and has been held annually for 15 years.

October Business Month provides opportunities to work on improving your business, and features an exciting range of keynote speakers and events to provide Territory businesses with:

- opportunities for professional development;
- innovative management ideas;
- networking opportunities;

The Department of Business and Employment offers programs year round to help you grow your business. Programs such as Business Upskills, Territory Business Growth and ecoBiz NT can help boost your bottom line.

If you'd like to be involved in October Business Month 2010, please contact business.dbe@nt.gov.au or visit the website

<http://www.nt.gov.au/dbe/obm>

Dragon Boat Racing

Staff and airport stakeholders recently joined forces to compete in the Dragons Abreast Dragon Boat Races. Entering two teams in the Open Division, the Flying Vikings came in first and the "High Flyers" close behind in second. The Flying Vikings also took out best dressed and best drummer).

Team members of the High Flyers were Mel Trenfield (DEWHA), Richard Houghton (DEWHA), Danny Rutherford (CHC), Travis Steventon (Cloustons), Albert Jessop (RAA), Daniel Bennett (Aurecon), Linda Pollard and daughter Danielle, and from Darwin Airport - Tara Ambelas, Rachel Halpin and Katie Crombie.

And the Flying Vikings... Megan Howlett (MHP Personnel), Annette Wallace (Aviation Management), Nicki Sexton (CHC), Kellam Krelle (Pumped Fitness), Toby George (SKM) and from Darwin Airport - Jill Holdsworth with son Indi, Michael Gale, Alan Dugan, Bruce Loveridge and John Price.

Keen on getting involved next time? Sunday 10th October is the date, contact Jill Holdsworth on 8920 1820 for more details or email jill.holdsworth@ntairports.com.au

Ride to Work Day - 13th October

Wednesday 13th October is National Ride to Work Day!

Did you know that people who are active before and during work are generally healthier, more productive and creative and less likely to be absent or on sick-leave?

Darwin Airport staff have registered a team and will be putting on a BBQ breakfast for the riders at the Airport Management Centre. Want to get involved? Contact John Thyne on 8920 1891 or john.thyne@ntairports.com.au

Urban Challenge

It's on again! Darwin Airport's Urban Adventure Challenge 2010 is happening on Friday 29th October. Open to all staff and airport stakeholders, it's our very own version of "The Amazing Race"!

Contact Lisa Svava for details and registration on 0411 816 744.

DIA Annual Charity Golf Day - Friday 20th August

A great big thanks to all our sponsors and participants in the 2010 DIA Annual Charity Golf Day where we raised money to purchase a patient transport vehicle for the Oncology Unit (Alan Walker Care Centre) and a horse float for the Wongabilla Equestrian Centre for disadvantaged youth.

Pre-register your team for 2011 by contacting Crystal Fostel on 8920 18145 or email crystal.fostel@ntairports.com.au

144 players and volunteers took part in the Annual Darwin Airport Charity Golf Day
