

STEP

1

High Visibility Vest

An Australian Standards approved Day/Night **high visibility vest** or shirt must be worn at all times when working Airside.

Refer – AS/NZS 4602:1999

STEP

2

Category 5 Hearing Protection

Ear muffs or plugs that provide protection up to or exceeding a **Category 5** rating must be carried at all times when working Airside and utilised when a high noise condition exists.

Refer – AS/NZS 1270:2002

STEP

3

Closed In Shoes

Closed in shoes must be worn at all times while working Airside. Open toed or heeled shoes, thongs or sandals **DO NOT** provide adequate protection for potential Airside hazards and are not to be worn at any time.
